Eyres Monsell Primary School – Top 3 in City for Improved Results

We are delighted to have received a letter from the Head of Education Services at Leicester City Council, notifying us that we are one of the **top 3 schools** in Leicester City for our improved Key Stage 2 results from the Summer.

Eyres Monsell significantly improved its 2017 results, compared to the previous year and we are delighted to have received this news. Below is a summary of the letter received by our Chair of Governors from the Local Authority.

I am writing to congratulate you on the outcomes achieved at your school in 2017. From our initial analysis of the 2017 results Eyres Monsell Primary School is in the top three schools in the city for:

- **making the most improvement in reading, writing and mathematics combined at the Key Stage 2**
- **pupils making the most progress by the end of Key Stage 2 in reading**
- **pupils making the most progress by the end of Key Stage 2 in mathematics**
- **making the most improvement in progress by the end of Key Stage 2 in reading**

We would like to recognise and thank all of our hard working school staff. The school results for 2017 improved across Foundation Stage 2, Year 1, Year 2 and in Year 6 and is the culmination of the schools' work to raise standards. We would also like to thank our pupils for their hard work and positive attitudes to learning and our parents for supporting the work that the school is undertaking.

We hope our pupils and parents are as proud to receive this positive news, as our school team is.

Yours sincerely,

Mrs K. Hill
