Dear Parents / Carers,

Christmas Card Project

We are delighted to announce our Christmas Card Project which we are undertaking in partnership with Art Projects for Schools Ltd (APFS). This is the first time that the school has offered this to parents so we are excited for this new art project.

Over the next few weeks, your child will have the opportunity to design a Christmas card in school. These will be sent to **Art Projects for Schools** and professionally made in to Christmas cards, which you will have the opportunity to purchase.

This is a great opportunity to celebrate your child's artwork with family and friends over the Christmas period.

Children will create an artwork which will be accurately reproduced in full colour onto Christmas cards that are available in packs of 12 (at a cost of £5 per pack). Additional items are also available such as packs of 6 larger gloss coated luxury Christmas cards, packs of 3 sheets of wrapping paper and packs of 12 folded gift tags. The quality of reproduction is excellent as is the quality of the cards; samples are available to view at the school office.

You do not need to do anything now – this is for information at this point. We will be sending your child's artwork home for you to view on the 23rd November 2017 and if you wish to purchase them, you will have until the 29th November to place your order online through APFS. Any ordered cards (and tags / wrapping if ordered) are expected to be delivered to school around the 7th December, in plenty of time for Christmas.

We will send another letter out with your child's artwork with more information on next week.

Yours sincerely,

Mrs K. Hill
