Dear Parents/Guardians,

We are delighted to announce our Christmas Card Project which we are undertaking in partnership with Art Projects for Schools Ltd (APFS). This gives pupils the opportunity to make professionally produced cards, which can be used to recognise and celebrate your child's creative effort and are great to send to family and friends. As part of the project, the school also receives a small amount of fundraising to go towards school projects (approximately 50p per pack).

The artwork your child has created will be accurately reproduced in full colour onto Christmas cards that are available in packs of 12. Additional items are also available such as packs of 6 larger gloss coated luxury Christmas cards, packs of 3 sheets of wrapping paper and packs of 12 folded gift tags. The quality of reproduction is excellent as is the quality of the cards; samples are available to view at the school office.

To order, simply visit www.apfsorders.co.uk and input the unique code found on the label on the reverse of your child's artwork. Orders must be placed by midnight on **29th December 2017**. Any orders placed after this date will be classed as a late order and will be subject to a handling and postage fee. Re-orders can be placed through the same site using your unique code. *We apologise for the short amount of time, but these are deadlines from the company and are not decided upon by the school.*

PLEASE NOTE: The shop cannot be accessed unless your child's artwork has been scanned by APFS prior to ordering. If you are unsure please contact the office to check.

If you are ordering for more than one child, APFS has introduced a family discount. Other benefits to ordering online include being able to personalise your items with your child's name and/or school, create your own custom greetings, and pay securely by debit or credit card.

Yours sincerely,

Mrs K. Hill
