Thank you to everyone who returned club forms. We had over 180 forms returned for over 200 pupils. We will be looking at ways to try to enable as many children as possible, to access clubs (especially the popular sports clubs) over the academic year.

Harvest Collection

We are collecting food items for Harvest, which will be donated to elderly members of the community and the local food bank. We would appreciate

donations of canned items or dried foods such as pasta. Please bring in your donations by Friday 22nd September.

School Uniform Labelling

Can we please remind parents and carers of the importance of labelling uniform. We have had lots of difficulties identifying lost uniform and

children changing in KS1 PE lessons, as their school uniform has not been labelled. If you can label your child's uniform, this would be really helpful.

Car parking

With the school increasing in pupil numbers, we have had a busy start to the school year. We would like to encourage as many children to walk to school. Where you travel in a car or vehicle, can we please remind parents and carers, to be courteous to our neighbours and not block driveways. Also, please do not park near or opposite the school gates, as access is required all the time by large vehicles. Lastly, please do not park on the yellow zig zags. The local community police will be carrying on local checks in the near future, to ensure our pupils safety at the beginning and end of the day. Your support would be appreciated.
