

Welcome our Well Being Leaders

A group of children in Y5 were recently chosen to attend a days training to become Well-being leaders. The children participated in various tasks linked to improving healthy and active lifestyles and pupils well-being at Eyres Monsell. The new Well Being Leaders—Cameron, Finley, Gallagher, Kaim, Jemima, Siobahn, Maddison and Alaiya, will be working with Mr Short and Mrs Abdeladim (Crick) on designing some activities for our school soon. Congratulations to the pupils who behaved exceptionally and were a credit to the school.

School Nurse Drop Ins

At Eyres Monsell Primary School we are all about our pupils being fit and healthy.

If you would like to discuss any aspect of your child's health in a confidential manner our school nurse will be holding monthly parent drop-ins at school. To book a slot please contact the reception or see Mrs Boddice.

These will be on the last Friday of each month between 9am and 10am. The first session will be Friday 27th October 2017 and then Friday 24th November 2017.

Space Week

Children are currently learning about space as part of a whole school topic. Children came to school today dressed in 'space' outfits. We have seen astronauts, aliens and even stars and planets. Thank you to everyone who dressed up.

Outdoor PE

As the weather starts to get colder, please can you ensure your child has an outdoor P.E. kit in school. This should be plain coloured leggings or tracksuit bottoms, a plain coloured long sleeved t-shirt or jumper and a pair of trainers. Please do not send in any hoodies.

Workshop for
Parents

**POSITIVE
BEHAVIOUR**

One off session for parents that include helpful tips to encourage positive behaviour for children aged 4-8 years

To book a space or for more information, call the Healthy Together School Nursing team on 0116 2153230
