

Y2 Singing Morning

Year 2 took part in a singing morning as part of our Vocalease project with schools from Leicester City and Leicestershire, at the All Saints Church on Wednesday 29th November. Children behaved superbly and were in fine singing voice! Children have been learning songs as part of their project, which they sang alongside nearly 200 other children from across the County. Well done everyone!

Y3 Synagogue Trip

On Thursday 30th November, Year 3 visited Leicester Synagogue, as part of their learning around Judaism. Children have been learning about Judaism in class, developing their understand and respect for different religions. The trip was an opportunity to visit a local place of worship and to see some religious artefacts. The children showed respect in their excellent behaviour on this trip. Well done everyone!

Snow Alerts

As the Country is warned of snow in the next few days, can we please remind parents that in the event of snow in Leicester, please check the schools twitter feed **@EyesMonsellPri** and **BBC Radio Leicester**, for any announcements should the school need to close. If there are no announcements the school is open and children are expected to attend as normal.

My Maths

Parents and children are able to access MyMaths on mobile devices, to support your child's home learning. You need to download the Puffin Academy App, which then allows the MyMaths content to be used on mobile devices. For more information visit: <http://www.flashbrowser.com/APN/> and search for MyMaths.

Early Collecting for Appointments

Can we please ask that as much as possible, appointments such as medical and dental should be made out of school hours. Most doctors and dentists are now offering late afternoon and evening appointments to support families outside of school and work hours.

We have had increased numbers of children being collected early. This does cause congestion in the office, especially at times where there is only one member of staff working.

Should it become necessary to collect your child early, **evidence of the appointment time** will be required at the time that you collect your child.

Thank-you to everyone who supported Children In Need, raising £177 for this charity. Also thank-you if you purchased a poppy from us for again raising £49.96 for the Royal British Legion.
