

# Eyres Monsell Primary School/ SummerTerm 1 Newsflash

Aspire, Enjoy, Achieve

## Yummy, scrummy chocolate week

We have had an eggcellent time before Easter learning all about chocolate and Easter. On Monday 3rd April, every class had a chocolate making demonstration and we were able to learn more about where chocolate comes from. On Wednesday we held our Chocolate Bingo Event, with parents and children playing bingo. We raised £158 towards our school Council's KS2 Canopy Project. Thank-you to everyone who supported this event.

### New MyMaths home learning

Your child should have received the letter about the new MyMaths homework and had some mymaths homework over Easter. Teachers will now be setting a MyMaths challenge as part of on-going homework— so please ensure your child has a go!

# Summer Diary Dates

Please be aware of some  
upcoming events next term

## **School Closes 14th July at 3pm**

Each year group will be planning an end of year trip as a treat for the children. More details will follow.

## Value of the half term—Resilience

**WORTH-IT**  
**-PROJECTS-**

**Building resilience — the ability to adapt well to adversity, trauma, tragedy, threats or even significant sources of stress. The ability to thrive despite these challenges arises from the skills of resilience.**

This half term, children will be thinking about how they can develop positive mental and emotional health, to help them become more resilient. Mrs Abdeladim (Crick) and Miss Hill, will also be starting their 21 am worth it!" programmes, in life skills, to help children develop the knowledge and skills of how to be resilient.
