

School Residential

This year we introduced our first year 2 residential. Children spent a night sleeping at the Space Centre in Leicester. They had an amazing time, completing astronaut and space related activities!

Last week, Year 5 and 5 went on a week long residential to Colomendy in Wales. Children completed outdoor and adventurous activities, including climbing, team building, hill walking, laser quest, fencing, archery and aeroball.

A HUGE thank you to all the staff involved, who give up their time to take children on these exciting opportunities. Without our dedicated staff we couldn't offer these types of trips. We look forward to seeing where we go next year!

National Insect Week

Last week was National Insect Week. Children learnt all about creepy crawlies, bugs and their habitats. On Monday Zoolab visited to show the children in FS2, Y1 and Y2 some weird and wonderful minibeasts. Children loved making some new creepy crawly friends and learning all about them!

Sun Smart: School uniform hats on sale

We are now selling sun smart, legionnaire style hats, as part of the school uniform. These hats are great for protecting your child's head and neck from the sun. The legionnaire style flap at the back is detachable, so it can also be worn as a cap. If you would like one, please call in to the office. They are available on a first come, first served basis.

We would also like to remind parents and carers, of the importance of appropriate school clothing during the hot weather. Please ensure children wear white polo shirts or shirts, with the shoulders covered. Shorts should be knee length. Children can bring in sun-cream, but should be able to apply it themselves. Please ensure your child has a water bottle, to ensure they keep hydrated.

We now have shaded areas on every playground, so children can take a break from the sun. In very hot weather, children may be kept indoors, so they are not exposed to very hot sun, which can damage young skin.

UP-COMING END OF YEAR EVENTS

2nd July—Y5/6 trip to Holme Pierrepont
