BOSCH Primary Engineer Leaders Award

2017—2018

This year, children were able to take part in the Bosch Primary Engineer Awards. This involved children designing an invention as part of a project. We are hugely proud to announce that four of our pupils gained distinctions in these awards and were shortlisted as finalists. This is a great achievement as over 2,100 children participated in these awards. Congratulations to:

Achilles Year 3

Summer Year 1

Alexsandra Year 6

Vialy Year 6

Their projects will now go on display at a public exhibition at Coventry University.
