Fun Facts about Van Gogh:

During his lifetime his art work was largely unknown.

Van Gogh did not start painting until he was 27.

A lot of facts we know about Van Gogh come from the many letters that he wrote to friends and family.

Van Gogh created one of the most expensive paintings in history ; 'Portrait of Dr. Gachet'

Throughout most of his life Van Gogh was troubled by mental illness.

He cut part of his ear off. This is shown in a self-portrait.

He was very poor when he was alive - but his paintings have been sold for millions in modern times.
